

**Subject:** Chat with Clark Robinson

**From:** Clark Robinson <robinsonchicago@gmail.com>

**To:** barriticus@gmail.com

**Clark:** I sent it to Wonkette, and they should have bit, it's better than the pieces they are putting up, but I did could not figure out how to put a link in their field on their tip submission widget--so it went as text--if you know how to send it as a link, try it.

**me:** okay, thanks

**me:** you can also just send them tips at tips@wonkette.com
